RESPONSE TO OFFICE ACTION DATED MARCH 28, 2002

Dear Sir:

Applicant's amendments are in the format required by new rule 37 C.F.R. 1.121.

In the Specification:

In order to address the objections to the Specification and some of the objections to the drawings, please amend the Specification as follows. A marked up version of the changes to the Specification is attached as Appendix A.

✓
Replace the paragraph beginning on page 13, line 9 and ending on line 13 with the following amended paragraph:

a
The label 32 of the present invention is intended to be affixed to the container 10 shown in Figure 3. As seen in Figure 5, the label is placed on the container such that the side edge 48 is aligned with the orientation line 40. Thus, the second portion 62 will extend over at least a
